Application No. 10/534,549  
Filed: May 06, 2005  
Attorney Docket No. **P10296US**

**OFFICE OF PETITIONS**

**DECISION ON PETITION**

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed April 13, 2010, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the Restriction Requirement, mailed September 23, 2008, which set a shortened statutory period for reply of one (1) month or thirty (30) days (whichever is later). No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on October 24, 2008.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an election, (2) the petition fee of \$810, and (3) a proper statement of unintentional delay. Accordingly, the reply to the restriction September 23, 2008 is accepted as having been unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due

date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to Tredelle Jackson at (571) 272-2783.

This application is being referred to Technology Center AU 1793 for appropriate action on the concurrently filed amendment.

A handwritten signature in black ink, reading "Ramesh Krishnamurthy". The signature is fluid and cursive, with a large, stylized initial 'R' and a long, sweeping underline.
